Re: 676 Wells Street

To Whom It May Concern:

This letter is to confirm that an application for our Home Improvement Loan Program was submitted by Beth A. Woolsey and Ronald J. Adams for the repair of 676 Wells Street, St. Paul, MN 55106.

The application was submitted on September 26, 2013, and is currently being processed to determine qualification. The process of determining qualification generally takes two to three weeks. If the application is approved, our Construction Specialist will work with the applicants to develop a scope of work, and obtain bids to determine the final project cost and loan amount.

There are two programs that the applicants may qualify for: Minnesota Housing CRV Deferred Loan, with a maximum loan amount of \$20,000; and Dayton's Bluff NHS' Revolving Loan Fund (CDBG), with a maximum loan amount of \$50,000.

Please contact me at (651) 774-9064, with any questions or concerns about our loan process.

Sincerely,

A handwritten signature in cursive script that reads "Samantha Larson".
