To whom it may concern:

We respectfully request that you approve our appeal of Deficiency number 1 on the Fire Inspection Correction Notice related to egress windows.

The windows in the home are original from its construction and were allowed at that time. They are fully functional and in very good repair. It would be a hardship for the ownership to replace the windows in this property.

Please call me with any questions or concerns at 651.470.0481.

Respectfully,
