Re: Making Finding on the Remove or Repair of the Structure at 521 York Avenue

Dear Maurice Griffin:

Legislative Hearings were conducted in the above-referenced matter before Marcia Moermond, Legislative Hearing Officer, and she recommended that the City Council grant an additional 180 days for the nuisance building to be abated by razing and removal or rehabilitation, as evidenced by issuance of a Certificate of Code Compliance.

There will be a Legislative Hearing scheduled for **Tuesday, June 14, 2022 between 10:00 a.m. and 12:00 p.m. via telephone** at which DSI staff will present information on the current building conditions and progress toward abatement of the nuisance conditions.

If you received the Certificate of Code Compliance by June 14, 2022, this hearing will be cancelled and a resolution will be forwarded to the City Council indicating the nuisance conditions have been abated and the matter is closed.

If you have *not* received the Certificate of Code Compliance by June 14, 2022, **please contact Building Inspector Nathan Bruhn at 651-266-9033 as soon as possible for an inspection** before the hearing. For other vacant building related questions, contact Joe Yannarely at 651-266-1920.

The findings of the Legislative Hearing will be considered at a City Council Public Hearing on **Wednesday, June 22, 2022 at 3:30 p.m. in Room 300 Council Chambers.**

Sincerely,
/s/
Mai Vang
Legislative Hearing Coordinator
