Subject: Noise Variance

Hi Mark,

My concern is why must the noise continue until 10:30 p.m. on Sunday evening June 24th? We have to get up at 4 and 5 a.m. on Monday, June 25th to go to work. My husband and myself think this is too late for a neighborhood when most residence have to work on Monday.

I would reconsider the time change for Sunday night.

Thank you.
