Subject: 957 Prosperity Construction Schedule

Mr. Abdirahman,

I have now reviewed the construction schedule and believe all your materials are in order. Therefore, on Wednesday June 26, 2019 I will be asking the City Council to grant 180 days for the rehabilitation of this building.

There is no need for a hearing to finalize plans for this property on Tuesday June 25, 2019, so this hearing is cancelled.

Sincerely, Marcia Moermond

Legislative Hearing Officer
Saint Paul City Council
