

1012 Cook Ave E.Owner Photos

Dear Ms. Moermond,

In support of my hearing scheduled for Tuesday September 7, 2021, I am attaching a picture of my garage at 1012 Cook Ave East, Saint Paul, MN 55106. This is a view of my garage from the alley:

The garage pictured in the abatement order is not the same as the one you see above. The sink and bathroom vanity referred to in the summary abatement order are located at another property owner's garage:

I am being cited for a code violation that occurred on someone else's property. That is why I am appealing this summary abatement order.

Sincerely,
