WHEREAS, when last extending Executive Order 2020-10, I placed new conditions on Temporary C-19 Right of Way Obstruction Permits, which aimed to allow permit holders to operate safely in the right-of-way for as long as possible, while seeking to ensure that business furniture and other property would be removed from the public right of way once the snow season began; and

WHEREAS, one such new condition was that Temporary C-19 Right of Way Obstruction Permits would expire upon the MSP Airport weather station recording more than 2 inches of snow within a 24-hour period, which accumulation did occur on October 20, 2020, triggering the expiration of Temporary C-19 Right of Way Obstruction Permits; and

Pursuant to Chapter 13 of the Saint Paul Legislative Code, this Executive Order is in immediate effect upon my signature and, if not sooner rescinded or later extended, shall expire at the end of forty (40) days after its effective date or at the end of the declared local emergency to which it relates, whichever occurs first.
