Hello,

Please do not accept the owner's application for appeal. My correction notice went out before I found out the permit was final by Building Inspector Clint Zane. The referral for this property has been closed. This matter is resolved.

Thank you,

Hi Efrayn,

There is an appeal for above address on the roof repair under permit. From looking in STAMP, I don't see the Sept 8th order (only what Appellant submitted and may be in Amanda?). Also, there was a roof repair permit but the description says underlayment and dormer flashing which was finalized on 9/9/21. Is this in error or different issue? Please confirm.
