Dear Councilmember Thune,

Re: Proposed Charter Amendment

The Summit Hill Association Board met on November 12th, 2015. The board voted in favor of supporting the proposed charter amendment and ordinances regarding liquor licenses for restaurants. We agree with exempting restaurants from the license cap and for modernizing the definition of what constitutes a restaurant.

The board was made aware that the Charter Commission voted in favor of the proposed amendment and that it will be coming before the council on December 2nd, 2015. SHA would like to express support for the amendment.

Sincerely,

Nelima Sitati
Executive Director, Summit Hill Association
