Marcia,

Dropped the ball on this one (following up with you) before I left. She'd asked to have it last week.....

How would you like to handle?

Congratulations! Let me discuss with the hearing officer on Monday, but I'm guessing that can be accommodated.

Enjoy the weekend,

Hi Joanna,

Regarding the Plan: I will put an additional dehumidifier on each side of the basement, as well as fans to keep air circulating. Also will apply additional RMR 141 as seen here https://www.amazon.com/gp/product/B07FDMPF9Z/ref=ppx_yo_dt_b_asin_title_o05_s00?ie=UTF8&psc=1

Regarding tuckpointing: Efrayn Franquiz has been in the basement several times and tuckpointing has never been mentioned by him as a problem, nor have I seen an issue.

Regarding the Legislative Hearing on October 12: I am currently expecting and due to deliver my baby that week. Depending on how things unfold, there is a decent chance that I will be indisposed to handle this matter at that time. Could the hearing be moved up by a week?
