We assessed to the correct Parcel ID. So we will not reassess or delete. Unless you say to delete.

So you are going to reassess? Do I need to delete? Which address to delete, if so?

The Addresses above were all messed up in our Logis/Stamp/Amanda System.

I have updated all systems to reflect the correct address number and unit number on each Parcel Id..

You will probably get a call from Tom Moriarty. There is a Levied Assmt on PIN 312922210029. Apparently the County had the address wrong should have been 8645 not 8649.

Thank You
