#### Council Meeting Information

The City Council is paperless which saves the environment and reduces expenses. The agendas and Council files are all available on the Web (see below). Council members use mobile devices to review the files during the meeting. Using a mobile device greatly reduces costs since most agendas, including the documents attached to files, are over 1000 pages when printed.

#### Web

Meetings are available on the Council's website. Email notification and web feeds (RSS) of newly released minutes, agendas, and meetings are available by subscription. Visit [www.stpaul.gov/council](http://www.stpaul.gov/council) for meeting videos and updated copies of the agendas, minutes, and supporting documents.

#### Cable

Meetings are live on St Paul Channel 18 and replayed at various times. Check your local listings.
