

Dear Ms. Noecker,

My name is Bill Maloney and I live in Ward 2. I am a working member of ISAIAH. I want to thank you for passing an ordinance allowing for day shelters throughout St. Paul. ISAIAH thanks you for your efforts to protect people from homelessness.

More importantly, ISAIAH is excited to see more resources go towards multiple housing strategies to continue to address the housing challenges we face as a city.

Finally, course correction is needed with the way we continue to make downtown St. Paul safe for existing community members. Anything you can do to keep handguns out of downtown St. Paul and elevate the resources put toward the existing day shelters such as Freedom House so that they become more community-responsible and friendly is appreciated.

Thank you for your public service.

Bill Maloney
