

Dear St Paul Council members,

My name is Dan Humes and I live in Ward 4 of St Paul. I am a leader with ISAIAH and worked to help pass the Rent Stabilization ballot initiative. In concert with the protections on Rent which our residents passed, we, as a city, also need a Low-Income Homeowner Support Program as delineated by Mayor Carter in his 2022 budget proposal.

Every St Paul resident deserves to be treated with dignity and have the support they need to stay in their home in both the near term and be able to thrive in the long term.

Thank you for your public service,

Dan Humes
