This MOA is entered into by the City of Saint Paul and Saint Paul Fire Supervisory Association, International Association of Fire Fighters, Local 21 (FSA) (“Union”) for the purpose of providing a one-time “lump sum” payment to eligible employees. The parties recognize the significant economic challenges that the City has encountered and continues to face due to the COVID-19 pandemic. The parties also recognize the positive potential impact of the American Rescue Plan (ARP) funds which have been dispersed to the City for use in combating the effects of the COVID-19 pandemic. - 2) Part-time employees are eligible for a pro-rated payment.
- 3) Graduated lump sum payments will be based on the following:
  - a. 3% of salary for portion of base wage in primary title up to \$50,000; plus
  - b. 1% of salary for portion of base wage in primary title between \$50,001 - \$100,000; plus
  - c. .5% of salary for portion of base wage in primary title in excess of \$100,001
  - d. Overtime hours are not included in the calculation of base wage.
- 4) Lump sum payments will be made by December 31, 2021.
- 5) Payments are subject to normal withholdings.
- 6) Payments made under this MOA are not subject to Article 6 Grievance Procedure of the collective bargaining agreement.
- 7) This MOA is the result of the current economic conditions and Federal Government’s response in assisting units of local government. It sets no precedent and will not be referenced in future negotiations between the parties.
