Subject: Support for waiver of public notice requirement for MetroNOME

I spoke with Bill Eddins earlier today about his plans to open and operate a tap room at 289 5th Street, where Birch's was previously located until it closed.

He mentioned that he is requesting a waiver to the public notice requirement, and the CapitolRiver Council supports his request.

Thank you for your consideration, and please feel free to contact me with additional questions or feedback.

Sincerely,
