On March 7th I put out a mattress, dresser, and mirror on the boulevard of 351 Hope Street and called Waste Management the same day and arranged for pickup Thursday, March 10th. They failed to pick up the items and I called again. They promised to pickup the items on Thursday 17th sometime between 6 am and 6 pm.

Attached is photo taken around noon on the 17th ("Before"). Someone had taken the mirror, but the other 2 items were still there. However they must have picked up the other items later that day since they are now gone ("After") - second photo was taken today.
