I assume she had one sent to her in some way – I would have no idea for sure.
See my notes from 3rd Qtr 2021 Billing on old account - it states REF for Refund.

Thank you Mary. It looks like Rebecca was told by the CSR on 8/12/2021 that they would be emailed a copy of the service hold. Was this ever done?

Also you said that there was a credit left on the old account. Is it still on the account or was it mailed as a refund?

I am a little confused with this one here are the notes on the original account we had set up for this address in Oct 2018 – under the name of Badri N Johnson and in whose name is listed on the Ramsey County Property Tax Website.

First contact with WM - nothing from July. Note how many times they talked about the service hold form and the promise that Rebecca made that she would send it in.

This is the new account that was set up after the CE agent decided to cancel the original account as of 8.14.21 – because she wanted a new account in her name.

08/19/2021 13:49:09 NBANSAH - again it states that Rebecca would send in the service hold form.

AND CUST WILL FILL OUT THE VACATION FORM AND SEND IT BACK TO HAVE

THE ACCOUNT PUT ON HOLD

She has never turned in any form to WM.

I got this request from the city to put this account on service hold as of 1.25.22- which did.

Since she never filled out any paperwork despite all of her promises – this should be the correct hold date.

Don't ask me why the credit wasn't applied to the new account – maybe because she kept saying she was sending in the service hold paperwork.

Pending Assessment Amount: \$175.82

Ticket Comments: Property owner stated that they phoned WM on 07-31-2021 to request a service hold be put into effect at 765 Cortland Pl. The WM CSR told her verbally she would put the property "on hold" and that it would go into effect within 30 days, which would have been the end of August. The CS Rep also told Lee to "call back" when she wanted to resume service at the address. At the time, the CS Rep did not request Lee to fill out a UDRF or temporary service hold, which is required by both the City and the haulers. The property owner wants to know why they have received an assessment for Q4 2021. They also want to know why their invoice for Q4 2021 is so much more than their invoice for Q3 2021. **Please confirm whether a service hold was put into place at the property and provide the following information for Q3 2021 - Q1 2022:**

- Dates of any service holds/vacancies on the property
- Service Level (size and number of carts)
- Itemized breakdown of invoice
- Payment history
- Contact with property owner

Thank you,
