Hello Ms. Stariha,

This is in regards to the public hearing, scheduled on March 2, 2022 at 3:30pm, and the assessment on the property at 1015 Churchill, 55103. I am writing to dispute the charges for boarding up of my property on Oct 20, 2021 when my garage had a fire. I was not informed at the time that I would be charged \$610 and I wasn't even asked or given the option. I've never had a fire before and so I was completely unaware of the process. In this time of stress, it was all the

more important that I was informed by the city workers. Not to mention that the large, heavy plywood boarded-up garage door fell down and I had no way to fix it myself, as I am on disability.

Also, the DSI Admin Fee of \$122 seems excessive. I have very limited funds and this is a hardship.
