Re: Zoning File # 22-036-328

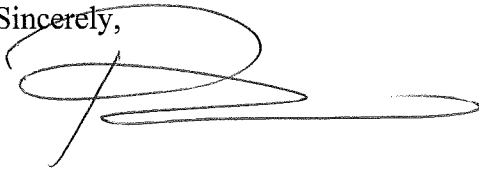

Dear Council President Brendmoen,

I am the applicant or the applicant's duly appointed representative under the zoning file noted above.

I am hereby requesting a continuance of the City Council's final decision for the said zoning file application until such time as the application for a boundary adjustment in zoning file 22-037-812 has been finalized and recorded by Ramsey County.

I am aware of and understand the statutory requirements found in Minn. Statue § 15.99 requiring the City of Saint Paul to approve or deny this application within sixty days of its submission. However, it is my desire to extend the City's final decision date for this file to July 12, 2022, in order to accommodate the finalization and recording by Ramsey County of the boundary adjustment application under zoning file 22-037-812.

Sincerely,
