Hi, my name is Erin Curran. I'd like to make a comment on tomorrow's meeting where they will be come hopefully passing the Hillcrest slash, the Heights housing development, it's going to happen in Saint Paul. A first name, Aaron Aron. Last name. Kirk, Kerr. Uhm, address is 1539 Maywood St in Saint Paul, obviously, and just wanted to say that I obviously would like the city to approve this. I think it's a great plan, especially would like to encourage anything that we can do for carbon neutrality, which would involve let's see, district heating and cooling. Uhm, done by local solar? Uhm. Cooperative ownership of energy and housing would be awesome, and then come, we'd like to make sure that the affordable housing and Advanced energy infrastructure needs are fully funded. Uhm, and let's see, I think that's about it. Thanks a lot for uhm, for the city having an interest in this and also just want to mention that I'm a member of Saint Paul 3:50 if you need to contact me, phone number is 651-489-5461. Thanks.
