I just spoke to Linda Sullivan, owner of 1654 Edmund Avenue. She does not have a cell phone. Her room phone number at Southview Acres is 651-403-5174.

She says that she is a victim of identity theft: her e-mail has been hacked, so she is unable to use it, and her cell phone has been stolen. I have not, therefore, sent her a confirmation e-mail.

I talked to Mai and she said both assessments (J2218A, J2208B) can be scheduled for Tuesday, May 17. I have informed Sullivan that her call will be between 9:00 a.m. to noon on that day. I told her that if she does not answer the phone on May 17, her assessments will be approved.

She said that the delinquent garbage bills can go on her property taxes (CG2201A3, CG2202A3).

There seems to be one boarding that is not scheduled yet (J2212B).

Ms. Sullivan hopes to be at this address for the next month, but she is not certain:
