Dear Sir Madam,

I have received your notice of cleaning the snow on my house which I had already done. After I received this notice, I called the city of Saint Paul officer who was on the notice to notify him that I had already shoveled the snow on the sidewalk. He did call back but unfortunately at that time, I was unable to answer the call due to a change of phone number. I did try and give him a call back several times but was unable to reach the officer. I later received a bill of \$322 from the city of Saint Paul since they want to bill me for the supposed labor that had been done. I am having a hard time understanding why I must pay for work that I had done myself. I myself am a senior and do not make a lot. I have worked for the city of Saint Paul for more than 20 years. Due to this, it has caused me frustration and I hope you can understand why. I have a hearing for this on June 22nd of 2022. I took pictures at that time to document the proof of the clearing of the snow on the sidewalks. I have lived at this property and have always maintained it clean. I am hoping to reach an understanding and see what can be done about this charge. The best way to reach me is by phone number and mail. My phone number is 713-628-1362. Thank you for your time and I hope to hear from you soon.

From,

Dianna Dong Thi Bui
