Dear Sir Madam. I got your notice of ordered to clean the snow on the front my house side walk , that I already shovel snow already.The letter on mail sent from the city of St Paul came to me to slow. Right at that time I called to the officer who named on the notice ,that I Already clear snow on my side walk already. I always shovel snow right after snow stopped fall.I watch T.V and clear snow after snow come.But
Now I got the proposed assessment letter from the city of Saint Paul for the assessment of $322.00 for city of St Paul clear or clean or plow snow, may be they just driver by once, But charged me $ 322.00, all my neighbors are not charged ,I asked my neighbors they said they are not charged .It is not fair to me.Contract or
St Paul clean snow on my house side walk for $322.00 dollars that is too much for a little work that I already
done by my self already I strongly against this type of scam with little work but charged too much money I don't want that work. Please see my pictures and
don't charge me any money for this little work or no work. This is a scam from people you hire them to do this work but they never do the work much but they charged too much. Dear Sir Madam I live here for
more than 40 years. I always keep my property clean after snow come , again please see these pictures reconsideration with your decision.
Please don't charged me this amount I am senior, over 84 years old and veteran thank you . very much.
