Think Before You Click: This email originated outside our organization.

Please help advise the St Paul City Inspectors that this building had a Driver destroy the building's outside and the interior Facade by pummeling through the front of the Property.
There is a scheduled Insurance Agent-Adjuster Site Visit to review these Damages. Moreover, Both of the City Inspectors were both on site and had personally witnessed these damages
The repair time will be based on Re-Construction time schedule and is not in my hands but that of Construction Contractor availability.

Please I ask that all deadlines and fees associated with this building at this time be fully suspended. Once the Building damages are fully restored, I will contact the City Inspectors for site review.

Thank you
