There are some inconsistencies in your application that I'd like to go over with you. Do you have time on Tuesday at 2pm?

Hi Angie - do you think we'll hear back by the end of the month?

Thank you! I think the forms are filled out correctly for the most part although the calculations concluded in a negative maximum rent increase. Let me know what I need to do so I can give notice at the end of the month.

Thanks again!

Thank you. I see that we did receive the web form but I do not see any attachments. Please send the attachments to this email address.

I have also asked our team to look into why you hadn't received an email.

Thanks,

I have submitted the form twice and have not received an email response. Is there a certain address I can send the forms to?

Thank you for your inquiry.

It sounds like you are requesting a staff determination on the petition to increase the rent by more than 8% annually. The staff determination process is outlined here (and outlined below):

<https://www.stpaul.gov/departments/safety-inspections/rent-buy-sell-property/rent-stabilization/rulemaking-implementation#requests-for-exceptions>.

Specifically, to answer your question about where the forms should be sent: When you enter the baseline information on the web-based [Rent Increase Exception Request Form](#), you will click “staff determination” on Question 16. Once that web-form is submitted, you will receive an email that instructs you to reply to the email and attach the completed documents (the email also will send all the documents you need based on how you filled out the web-form). Once your worksheets are submitted via response to that email, City staff will review the information to make a determination on your exception request. If staff believes there is missing information, we will reach out via email or phone.

Side note: As you ask the question and we looked at it, this process is not clearly spelled out on the website and we will request it to be clearer and more explicit. I would ask the same question you asked based on the website.

Please let us know how else we can assist in supporting your inquiry.

Thanks,

Hello - Where do I send the forms requesting a larger than 8% rent increase form? Is there someone I can talk to?
