Re: Remove or Repair of the Structure at 694 Sherburne Avenue

Dear Mr. Lee:

This is to confirm that at the Legislative Hearing on July 12, 2022 at which you did not appear, Legislative Hearing Officer Marcia Moermond recommended continuing the above-referenced matter to Legislative Hearing on **Tuesday, August 23, 2022 at 9 am in room 330 of City Hall.**

At that time please bring:

- 1. Updated evidence of financing sufficient to complete the rehabilitation.** Staff estimates costs to exceed \$50,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case by case basis;
- 2. submit an affidavit indicating the finances will be dedicated to completing the project** and not diverted until a code compliance certificate is issued; and
- 3. submit work plan and schedule for completing the project.** This should include **signed plumbing and building bids** (or estimate if doing building work yourself); and
- 4. the property must continue to be maintained.**

Samples were sent with your previous letter. If you have any questions, please contact me at 651-266-8585.

Sincerely,

/s/

Joanna Zimny
