SPFD211126051787	111 - Building fire	11/26/2021 15:25:05	657 Canton St Paul MN 55102	4 - Residential	Crews were dispatched to a report of a bedroom fire. On arrival, crews found a mattress fire on the upper level of a one and a half story single family dwelling. Crews quickly extinguished the fire, conducted searches, overhaul and an investigation. See investigator Blanks report. A small cat was located and safely removed (but promptly ran back inside). One adult female was treated at the scene and transported for smoke inhalation. One adult male was also evaluated on scene for smoke inhalation but refused transport. Red Cross was contacted for four occupants were that were displaced (42 F, 5 F, 7 F, 62 M, and a dog and a cat). A small handgun was recovered by crews in the back yard while performing suppression operations. SPPD was called to the scene and the gun was given to them. The home was condemned by DSI due to electrical and natural gas concerns. Gas and Electric were secured by Xcel. The home was secured by board-up, and the cat was left in the home per the home owners request.	14,762	12,492	Alan Gabriele
