Here is a photo from the contractor of that corner taken September 17th 2021 after the wood was repaired and before the paint was done.

Thank you. Those photos were taken last fall; did he provide a date stamp for them? The repairs of that section were done in early November 2021. Can you provide me with the actual photos instead of a PDF of them?

I've enclosed the photo of that same corner of the house date stamped 6/25/22. This was in the packet that I dropped off. I have two photos that the contractor texted me of that repair in progress, and am going to see if I can get the originals with the datestamp on them. (The date is not on the photo, it is listed in the properties of the photo).
