Dear Salamatu Forte:

This is to confirm that at the Legislative Hearing on July 26, 2022, Legislative Hearing Officer Marcia Moermond recommended the City Council **grant to September 16, 2022 for compliance**. Compliance may be achieved by receiving permission from Zoning and having an approved site plan or compliance July 14, 2022 Correction Notice. A reminder that failure to comply may result in additional fines.

If you would like to speak to someone in Zoning about potential options please call 651-266-8989 and ask to speak to someone in the Zoning department to discuss permit and site plan requirements.

This matter will go before the City Council on **Wednesday, August 10, 2022 at 3:30 p.m.** in room 300 City Hall. If you are contesting the recommendation you may appear in person or send written testimony to be added to the record to legislativehearings@ci.stpaul.mn.us or by voicemail at 651-266-6805. **Should you wish to address Council directly but not appear in person, you must register in person by noon on the Tuesday immediately prior to your Public Hearing here: <https://www.stpaul.gov/departments/city-council/city-council-public-hearing-live-testimony>.** If you don't wish to contest, no further action is needed.

Sincerely,
