

OPPOSITION TO THE SPOT BAR LICENSE APPLICATION FOR PERMANENT OUTDOOR SEATING

I have been a Tenant at 853
Randolph for 25 years. My
14 year old grandchild lives
with me.

I oppose the bar's expansion
because of the extra noise.
The noise keeps me awake, and
sometimes the noise continues
until 1:00 a.m. & 2:00 a.m.
Even when the bar is closed, there
occasionally are people still there,
talking.

I do not object to the bar
other than their outdoor seating.
But I strongly object to their
outdoor seating.

All,

This afternoon, I had an interesting meeting with Linda Hollibush, a tenant at 853 Randolph Ave, who has lived there for 25 years and who lives there with her 14 year old granddaughter.

Ms. Hollibush has personally experienced being kept awake late until 1:00 a.m. and 2:00 a.m. by people who stayed on the outdoor patio even after the bar closed.

While not mentioned in the letter, she told me that, occasionally, bar patrons sit in their parked vehicles and loudly play music on their radios, which disturbs her. Unfortunately, the bar owner cannot control the bar patrons.

Ms. Hollibush joins in opposing the bar's license application.

Thank you for your consideration of this matter.

Regards,

Robert Leibman
