Great,

Ms. Moermond will lay this over to **September 13, 9 am in room 330.**

In the meantime, please begin having contractors in and getting prelim bids so once you receive the Code Compliance Inspection their bid/work plan will just need minor edits to make sure all items in the Code Compliance Inspection are addressed.

Will you relay this information to Mr. Berger? I'm happy to send a letter but it won't be to him by tomorrow, obviously. Please let me know.

Thanks,
Joanna

Think Before You Click: This email originated **outside** our organization.

Hello!

We have had dumpsters and a storage pod on-site and have cleaned out the entire house with the exception of a few items in the garage. There is a lockbox on the home and it is ready for Nathan to have the inspectors come out this week. I spoke to Nathan about this on Friday, August 5th.

Regarding the title, I have spoken to the bank (who is on title currently) and they are continuing to work on getting the title transferred. I followed up with them this morning again. In the meantime, we have paid the taxes to date and have received copies of the purchase agreement and closing documents which I have sent to Joanna.

We will need to figure in additional time for us to find a contractor who will take on this project. We are continuing to move forward and will share any information as soon as we receive it.

Thank you.

Hi Jodi,

To confirm--- Carl paid for a Code Compliance Inspection already on June 7, you need to just loop in with Nathan Bruhn and confirm that it is cleaned out and confirm the lock box is on and he has the code. He can be reached at 651-266-9033.

In order to do the layover, **Ms. Moermond would like you to send a an update (paragraph or so) on where things are as far as clearing the title. That will decide which date we layover too.**

Thanks,

Joanna

Hello Mai,

We are in the process of cleaning out the house. We will have it completed by tomorrow evening. We will be submitting the application for the code compliance inspection tomorrow. We did not know this was part of the process so this will impact the meeting on August 9th. I will not know when we can reschedule it until I hear back from the inspector. Sorry for another delay.

Thank you for your patience.

Hello Ms. Savasten,

The hearing officer is willing to continue the matter to August 9, 2022 at 9:00 a.m. in Room 330 City Hall/Courthouse. Will you relate this layover to your uncle, Carl Berger, or do we need to send a letter?
