Re: File No. 06-2022  
RES PH 22-301

I wish to rebuild the garage on my property in the same location as it presently located. The properties adjacent to the undeveloped alley will not be impacted by the rebuilding of this garage.

Address of property: 670 South Howell Street, St. Paul, MN 55116

I hope you can vacate this public alley at this time so that we can begin to build a new garage before the winter season begins.

Thank you,

Nancy Schapiro
