Your Council Public Hearing will be October 12, with the January 1 recommendation given at your Legislative Hearing. If you are requesting a further extension than that, please refer to the directions in my 9/23 letter for how to testify at Council. That would be the best way to go about that if you think you won't be in compliance by January 1, 2023.

The renters wife still tested positive so my worker could not go into my home. The next opening my worker had was in February. I will let you know when he completes the ceiling beams. Thanks, Mary
