

Don't lose your hard-earned money; spend your FSA funds

Don't lose your hard-earned money. Make sure to spend all of the money you put into your 2022 medical flexible spending account by the end of the year.

This means you need to have your medical appointments or spend your money on medical costs like glasses by Dec. 31, 2022, to be able to use it with your 2022 flexible spending account. You have until Feb. 15, 2023, to submit the claims for your 2022 expenses.

Not sure of your FSA balance? Go to www.benefit-resource.com/participant. The website will have the balances, history of claims submitted, and the means to submit claims.

There will be two balances if you use both a flexible savings account and have earned health account money from the city for participating in certain health care plans/Healthy Saint Paul incentives.

If you have not used the site before, go to their website and click on the register an account link. Follow the instructions. You will need your social security number, company code (StPaul), name, zip code, and email or phone number.

For assistance or login or password information, contact BRI at 320-316-0521 or 800-473-9595 or participantservices@benefitresource.com.

The sign up sheets note the names, ages, genders, clothing sizes, and gift ideas for the recipients.

Gifts must be purchased and dropped off with Dennis Rosemark in the admin building by the end of the day on Monday, Dec. 12. If wrapped, please enclose a gift return receipt inside with the gift. Visa gift cards are also requested along with gift cards to Walmart or Cub Foods.
