FYI. Another comment for ORD 23-1.

Thanks!

Subject: Rezone Property 981 Fuller

Think Before You Click: This email originated outside our organization.

We are strongly apposed to the change in zoning.
Traffic, parking and just a place to draw people.
This is a neighborhood not retail.

We built this home in 1955 and it still occupied by family . We are the longest residing residents of this Block

Duane Reed, Kevin Reed
996 Fuller ave
