Hello Mr. Brown,
Sorry for delaying my response. I found the waiver so the fee will be recommended for deletion.

Thank you.

Hi Kelly

The graffiti on our building was painted over sometime in the late summer or early fall. However, I just received a notification of a charge

assessment for \$263.84 for removal. This should not be the case since.

The FILE # is J2302P and the Assessment # is: 238401

This is for Brown & Brown Investments

501 W Lynnhurst Ave, St Paul, MN 55104

Can you please address this and let me know what we were charged and what this is for?

Thanks for helping clear this up.

Hi Kelly

This is in reference to the call we just had. Thanks for your help with this.

Attached is the Graffiti abatement form signed.

I should note that we have graffiti on two sides of our building (north along the alley and west along the side).

We also have a large graffiti on an upper portion above the roof of the first floor. It is along the north side of the upper part of the building.

Thanks -SAM
