All right. My name is Loren Heuer, spelled L-O-R-E-N H-E-U-E-R, and I live in 979 Matilda Street, just off of Front Avenue. I got your letter about the proposed bicycle lane that's going to be going on Front Ave, once they repave it. I've lived here for probably 25 years or more. I have never, ever seen a bicycle on Front Ave. I see some once in a while on Hatch or Cook or Lawson when kids are going down to the playground, by the school and stuff, but I have never ever seen a bicycle on Front Avenue. I think the proposal is a waste of time and money. Also, that winds up making parking just on one side because of the bike lane which is probably gonna cause problems. And to ride a bike on a snow emergency route and stuff, and that the fire department is right there on Front and stuff, you're looking for an accident to happen. I'm against it I guess is what I'm saying. You don't need to correspond with me, so I'm not just voicing my opinion, so thanks for your time. Bye bye.
