Resident came in to office upset about current notice of non-payment in the amount of 393.25 for property 329 Aurora, during the conversation he requested a review of this bill and to contest the Q3 assessment on property 1255 Sherburne The resident states he put a UDRF on file with our office in July and there were unaddressed pending assessments when he purchased the home for garbage.

Please set up a hearing for Q3.

The resident would like to be contacted in writing and by phone with the hearing date and time. He will likely attend in person.
