That should be correct based on this e-mail that I had sent over to CE

MP

This is an example of the extra work created by customer service when they don't handle something properly

BMCALIS1 – touched both accounts - but she did not cancel G40-5298- she only set up G40-33778(which actually should have been G4A)

William purchased the property as of 3.1.22 – but she didn't start billing until 4.3.22.

Now I have to cancel G40-5298 – back to 3.31.22 – credit off everything on the account since 4.1.22 and then have the city reverse two certifications that were sent in error to the city – since the account never got canceled.

Plus we have pissed off Mr. Munson - since the certification letter is in his name since he now owns the property but owes no certification amounts.

G40-5298 CITY OF ST PAUL RESIDENT 25292 287 ATWATER ST

Routes: 75P1,7511 SAINT PAUL

G40-33778 MUNSON, WILLIAM 287 ATWATER ST

Routes: 75P1,7511 SAINT PAUL

Thank you Mary. Based on my understanding, we should be removing the assessments that you sent for Q2 and Q3 2022. Is that correct?
