Subject: Assessment hearing request for #238401

Hello,

Please schedule a legislative session hearing for the assessment #238401 for the address at 903 Beech St. The reason for this request is that I sent in the graffiti waiver and consent form prior to the deadline, and the removal should have been free of charge. Please verify that the form has been received, as it is to remain in effect for the entire time we own the property.

Thanks

Kevin Christ
