Dear Legislative Hearing Officer,

I am writing on behalf of the Hamline Midway Coalition Development Committee in support of Joshua Burbul and Slate Billiard Club LLC's Class N License application.

Our committee recently met with the business owner, Joshua Burbul, who shared information with us regarding the business plan and vision for his new venture. We had the opportunity to ask questions about the proposed use of the space, which were answered satisfactorily by the business owner. It is also notable to the committee that this will be a private, member-only club with no gambling or liquor licenses.

Our committee believes that Slate Billiard Club will be an asset to the neighborhood and will fit in well in its proposed location at 755 Prior Ave N Suite 002A. The Hamline Midway Coalition strongly recommends the city's support of this Class N license request.

Sincerely,

A handwritten signature in black ink that reads "Nathan Roisen". The signature is fluid and cursive, with a large initial "N" and "R".
