Subject: Comment regarding Class N License for Billy's on Grand

Think Before You Click: This email originated **outside** our organization.

Dear Rebecca

Please vote no to Billys Bar on Grand Ave to allow liquor to be served until 1am.

It is located in a neighborhood that does not need drunks wandering around at 2am.

It is not a bar in downtown but in a residential area. Since the new owners have taken over shootings and assaults have multiplied and have decrease the property values in the neighborhood.

Please make the right vote that will improve our neighborhood and where we can walk and feel safe after 9:00 at night.
