

HOUSING AND REDEVELOPMENT AUTHORITY OF THE CITY OF SAINT PAUL, MINNESOTA

REPORT TO THE COMMISSIONERS

DATE: APRIL 26, 2023

REGARDING: RESOLUTION GIVING PRELIMINARY APPROVAL TO THE PROPOSED ISSUANCE OF CONDUIT MULTIFAMILY HOUSING REVENUE BONDS FOR THE BALSAM ON BROADWAY APARTMENTS LOCATED AT 540 BROADWAY STREET AND ADOPTING A HOUSING PROGRAM, DISTRICT 4, WARD 2

Requested Board Action

The purpose of this report is to request the Housing and Redevelopment Authority (HRA) Board of Commissioners to:

1. Hold a public hearing and adopt a resolution providing preliminary approval of the proposed issuance of conduit multifamily housing revenue bonds for The Balsam on Broadway project; and
2. Adopt a housing finance program related to The Balsam on Broadway project.

This is a conduit bond issue. The Bonds shall not constitute an indebtedness, liability, general or moral obligation, or pledge of the faith or credit or taxing power of the HRA, City of Saint Paul, or any agency or political subdivision thereof. Principal and interest on the Bonds are payable solely out of the revenues and other sources pledged to the payment thereof as described in the bond documents.

Background

The HRA has received a proposal from LSBD St. Paul Broadway, LLC, a private developer of multifamily projects in Minnesota (or an affiliated entity, the “Borrower”), that the HRA undertake a housing finance program (the “Housing Program”) to finance The Balsam on Broadway project, a 6-story multifamily development located 540 Broadway Street through the issuance of tax exempt housing revenue bonds or notes (the “HRA Bonds”), in one or more series in an estimated aggregate principal amount not to exceed \$33,000,00. The proposal calls for the HRA to loan the proceeds realized upon the issuance and delivery of the HRA bonds to the Borrower pursuant to a loan agreement wherein the Borrower will be obligated to pay all costs and expenses of the HRA and the City incident to the issuance of the HRA bonds.

The project to be financed by the HRA Bonds is the acquisition, demolition, and construction of a building with approximately 128-units of multifamily rental housing and functionally related facilities, including covered and surface parking stalls, 113 bicycle room, dog wash, children's playroom, exercise room, office and community space. Thirty-nine units will be restricted to households with income at 80% area median income (AMI) or below, sixty-three units will be restricted to households with income at 60% area median income (AMI) or below and twenty-six units will be restricted to households with income at 30% area median income (AMI) or below with supportive services. The Project will be owned and operated by the Borrower, or an affiliated entity.
