Introduction

Laws of Minnesota 2020, Chapter 82, section 5, subdivision 12a-b requires all law enforcement agencies that maintain or use an Unmanned Aerial Vehicle (UAV), also known a drone, to report the following data by January 15 regarding the prior calendar year to the Minnesota Department of Public Safety (DPS):

- The number of times a UAV was deployed without a search warrant.
- The date of each deployment.
- The authorized use for each deployment (see <u>Laws of Minnesota 2020, Chapter 82</u>, section 5, subdivision 3).
- The total cost of the agency's UAV program.

This report fulfills the further requirement that DPS compile the data into a report for the legislature to be posted on the department's website.

Background

Laws of Minnesota 2020, Chapter 82, was signed into law on May 16, 2020.

The BCA developed and provided a submittal form to law enforcement agencies in August 2020 that enables law enforcement agencies that maintain or use an Unmanned Aerial Vehicle (UAV) to report the data required by statute in a uniform manner.

The information provided to and compiled by the Minnesota Bureau of Criminal Apprehension (BCA) in this report covers the reporting period January 1, 2021, through December 31, 2021.
