Dear Applicant:

Our review of your application for a license is in process. Notification has been sent to owners and occupants of nearby properties, community organizations and other interested parties giving them until **May 7, 2023,** to submit comment on your application. If no objections are received, and you have returned a signed condition affidavit if applicable, a recommendation for approval of your license(s) will be placed on the City Council consent agenda.

If no objections are received your license application will be forwarded to the City Council for review and if approved by Council could then be issued (pending any requirements not completely met). If objections are received a hearing will be scheduled before a legislative hearing officer. You will receive notice of the time, place, and date of the scheduled hearing from the Legislative Hearing Officer. At that hearing, the hearing officer will take testimony from all interested persons and will make a recommendation to the City Council as to whether the license(s) should be approved or be referred to an administrative law judge for further review. The City Council will have the final authority to grant or deny this license application

Please note, the charitable organization proposing to operate at this location must obtain separate authorization from the Minnesota Gambling Control Board before operations may begin. The organization may contact me at 651-266-9087 with any questions regarding outstanding endorsement requirements to obtain the State permit for this location or if you have any questions regarding this letter.

Sincerely,
