Okay – we finally found the money – it will be transferred from the wrong account to her account by Friday this week. One problem the account the money was found on will now have a past due balance of \$69.84 and it is a St Paul resident.

I will have CE contact that person about it.

I need it for 1391 Pleasant Ave. If WM is unable to find the payment, we will remove the assessment then.

Best,

Ck # 11436 (note shortened to 1436 when it posted) was received and posted as of 10.24.22 – only to the 698 Randolph Ave Account

10/24/22 1436 PMT SLB 193.16 .00 - in the amount of \$193.16 which is the amount she owed on that account.

I have no idea where the balance of \$69.84 was applied - I ran a couple of queries on my end and cannot find it.

I would suggest she work with her bank to trace it or contact CE and they can open a case to try and find it.

Which account did you need the breakdown for ?
