We are concerned with not enough parking on their property for cars. We have had the other car repair people park in front of our homes and rental property, which makes it impossible for us and our renters to find a place to park.
I am not able to be at the hearing because of health issues, but would be happy to be part of the conversation as previously done on this matter on the phone conversation.
Please acknowledge receipt of this complaint and let me know what I need to do.
Thanks so much,
Laura Bateman
