My name is Barbara Somerville SOMMERY, as in Victory ILLE. Address 720 7th St. E in Saint Paul. Phone number 651-492-1895. And I am calling about the notice to request a variance for sound level at the Eastside Sculpture Park for a movie event to take place on June 16. I live adjacent to the park and I do not want this request granted it's already too loud and too intrusive. I go to bed at 8:00 o'clock at night and I cannot sleep with that sound. It's already way too loud. I have to play white noise music, keep my window shut. Where earplugs to keep the sound out to raise the sound level to me is absolutely the wrong thing to do. I appreciate your time and thank you. Bye.
