because people moved out of one or
more of the 467-478 Herschel
apartments and left a lot of their stuff
in said dumpsters and because there
are lots of 4th of July fireworks boxes

This maintenance request claims to have been finished on November 22nd. The bagged leaves are all still there on the east side of 468 Herschel, and were never taken to the Ramsey County yard waste site. Please take them to the Ramsey County waste site.

Herschel boiler up with water which
will then allow it to heat the units. As
I've said several times, various heaters

The 468 Herschel laundry room has turned into a dump pile. People have left electronics, mattresses, beds and a variety of other things down there. It isn't pleasant to look at that nor sanitary when you go down to do your laundry. Can somebody(s) from Housing Hub properly legally take these items to where they are supposed to go instead of just throwing them in the trash or leaving them there?
In addition to the things left behind by tenants or that were retrieved from within or around the 468 Herschel dumpsters (that are currently not locked and so allow non 467-478 Herschel residents to throw things like that in them) are the 3 washing machines and 3 dryers that are no longer being used.

I've lived here in 476 Herschel for 25 years and this basement has only become increasingly cluttered like this in the last 7 years.

This is a vertical abstract artwork. It features a series of horizontal bands of color. From top to bottom, the colors transition through various shades of green, yellow, and dark brown. The texture appears grainy and layered, with some areas showing more intense colors than others. The overall effect is reminiscent of a landscape or a textured surface, possibly a piece of fabric or a natural material like wood or stone. The composition is simple and focuses on the interplay of these earthy tones.

Jennifer,

Unfortunately, Housing Hub's maintenance request page won't permit somebody to come out to clean the carpet.
The entire 476 hallway carpet needs to be cleaned due to years of having not been cleaned, and that is the company's responsibility, not tenant responsibility.

St. Paul City Council,

I think it's wrong that Legislative Officer Marcia Moermond recommended to the St. Paul City Council that my appeal to Herschel Apartments, LLC's self-certified exception to the 3% rent increase cap be denied.

Let the record show that I Gaius Poehler said that and that the St. Paul City Council was wrong for upholding Officer Moermond's recommendation.

Why?

Because St. Paul and other City governments are now not regulating but instead partnering with property companies whose selfish business interests compromise the fair and healthy treatment of tenants living in their buildings. And even rating organizations like the Better Business Bureau which Officer Moermond quoted as giving Herschel Apartments, LLC an A rating *don't accurately reflect the business practices of said property companies.*

Throughout the May 22nd, 2023 appeal hearing, Officer Moermond was on the side of the property owner. She was demonstrating that she was an extension of this property company instead of an independent objective regulator of said company.

For example:

With regard to the the property management company's (Housing Hub's) non-adherence to the property company's (Herschel Apartments, LLC's) own written month to month lease.

With regard to the property company not by law providing sufficient heat.

With regard to maintenance not being performed by the property company's property management company staff.

(See evidence of this in the provided attachments).

The City of St Paul's publication contention:

"Rent Stabilization Appeal Hearings provide the forum for reviewing appeals of Department of Safety and Inspections (DSI) determinations on applications for an exception to the City's 3% rent increase cap."

is an inaccurate statement.

The rent stabilization appeal hearings are merely the City of St Paul's directive from the property companies that Saint Paul now partners with to present an image of tenant consideration when in fact the City of St. Paul as directed by said property companies has no intention of granting an appeal to the 3% rent increase cap exception.

Respectfully,

Gaius Poehler
Apt 10, 476 Herschel
St. Paul, MN 55104

gaiuslove@yahoo.com

ph: 651-271-6724

I love the truth.

Officer Moermond in the May 22, 2023 appeal hearing said that "The City council will address your appeal very quickly."

So in other words, time won't be taken to properly look at and understand and rectify this issue. Part and parcel of a City government that no longer objectively oversees and regulates business it is now a partner with.

Two landlords settle with St. Paul in federal housing case

Listen

By KEVIN DUCHSCHERE, STAR TRIBUNE

January 27, 2015 10:47 PM

St. Paul has reached a settlement with two landlords in a long-running federal lawsuit in which the city is accused of hurting minority tenants by aggressively enforcing its building codes, thereby reducing the supply of affordable housing.

City officials, who have vigorously contested those allegations, say they expect to prevail over at least three other landlords when the case goes to trial this spring in Minneapolis federal court.

But they were happy to announce Tuesday that they had reached a non-monetary settlement with St. Paul landlords Thomas Gallagher and Joseph Collins Sr., who agreed to drop their claims in exchange for the city's help in finding them more St. Paul housing properties to buy.

They and their companies, all going by the name Dadder's, currently own about 200 rental units in the city.

ADVERTISEMENT

“We welcome the opportunity to partner with Mr. Collins and Mr. Gallagher in an effort to encourage their long-term, positive investment in the city,” City Council President Kathy Lantry said in a prepared statement.

The terms of the settlement include putting a residential landlord on the city’s Business Review Council, a group of mostly business people that advises the inspections department on regulations.

The first nominee for that seat is Collins, whose appointment by Coleman to a three-year term on the business council is expected to be approved Wednesday by the City Council.

City officials also will meet quarterly in each of the next two years with Collins and Gallagher to make them better aware of available properties within the city, according to outgoing City Attorney Sara Grewing.

ADVERTISEMENT

But the city is paying them nothing, she said.

Lantry and Grewing helped negotiate the settlement, which has been in the works for more than two years.

Grewing said the deal came together in a 10-hour session last month and was only recently finalized.

The lawsuit was filed several years ago by a group of mostly white landlords, who claimed that St. Paul's aggressive enforcement of housing codes was forcing them to board up their properties and turn out low-income and minority renters.

The city argued that they were slumlords who provided shoddy housing for tenants with few other options.

A federal judge ruled for the city in 2008, but her decision was reversed by a three-judge appellate panel. The federal circuit court then asked the U.S. Supreme Court to look at the case, which it agreed to do.

ADVERTISEMENT

condor

But housing advocates worried that the conservative-leaning high court might use the case to gut federal fair housing laws, which the landlords accused the city of violating with its enforcement policies.

Their concerns prompted St. Paul Mayor Chris Coleman to drop the city's appeal, returning the case to federal district court. The remaining plaintiffs are expected to take the case before Judge Michael Davis in May.

**Grieving families call for action,
investigation of other agencies after DOJ**

I've re-read this (attached) rent control notice from Sonia Romero to make sure I understand it.

****This quoted second sentence in the second paragraph is very key I think with regard to Herschel Properties LLC and Housing Hub's recent attempt to get me to sign a new lease.**

**** "Please note, a final determination on any application for exception to the rent cap is not made until all appeals have been resolved."**

Apparently Housing Hub and Herschel Properties LLC don't have the right to offer me a new lease until this appeal has been resolved.

A legitimate new lease would reflect the appeal's determination. They are otherwise basing this newly offered lease on the false presumption that they have a granted exception to the 3% cap.

It appears Housing Hub, Herschel Properties was very upset about having to attend this hearing and it seems their response was to offer me a lease with an even higher rental amount.

Combined with their recent settlement with the Attorney General, it's all part of a pattern of Herschel Properties and Housing Hub's bad business practices.

Good afternoon,

I wanted to reach out in regard to your appeal for the over 3% increase through the city. I wanted to assure you that we are not increasing your rent personally. When an owner request rent to go over 3%, we put the request in for the building. That way we don't have to get approval for other renewals. You however are month to month. You are currently locked in at \$899, due to you selecting month to month in your previous lease renewal. I would like to go over a few things that I saw were sent in and help you out. Give me a call at 651-488-2437 ext. 101

Thank you

Re: Rent Control Appeal of Gaius Poehler, for property at 476 Herschel St, Unit 10

Dear Mr. Collins and Mr. Gallagher:

This letter confirms my April 12, 2023 correspondence regarding the hearing scheduled to discuss the Gaius Pohler appeal for an exception to the 3% Saint Paul's rent cap. As indicated, the hearing will be before the Legislative Hearing Officer, Marcia Moermond, on **Monday, May 22, 2023, at 1 p.m. in Room 330 City Hall**. For your reference, I have also attached the appeal to this correspondence. You or a representative are invited to attend and participate in this hearing. Please note, 45 days have passed since your (self-certification) application was approved and no other appeals were received or will be considered in this matter.

In order to come to a final determination on your application for an exemption to the 3% rent cap, the City is requiring that you provide the Maintenance of Net Operating Income (MNOI) you were required to prepare, but not submit with your self-certification application. Please note, a final determination on any application for exception to the rent cap is not made until all appeals have been resolved. Please provide MNOI to me by close of business Wednesday, May 17, 2023. For reference, here is a link to the document on the City's website:

- Maintenance of Net Operating Income - <https://www.stpaul.gov/sites/default/files/2022-07/Landlord%20MNOI%20-%20Cap%20Improvement%20Worksheet-071922.pdf>

All materials should be sent to me and will be attached to the appeal record.

I have also left voicemail message at the number listed for Megan Peterson, on the Rent Increase Exemption Request Form: 651-488-2437, confirming the hearing and the requirement that your MNOI be submitted. If you have any questions, please contact me at 651-266-8585.

Good Afternoon Mr. Collins,

Following up on this morning's email, we spoke to Gaius Poehler this afternoon. He is interested in continuing with his appeal. He reports this is because his written lease language indicates rent may be increased with limited notice. He is concerned that this is inconsistent with the verbal discussions you or your team have had with him. As such, the appeal is not withdrawn and the hearing is not cancelled.

Should there be a change in Mr. Poehler's position following any future conversations with you or your team, we would, again, be happy to cancel the hearing scheduled for next Monday.

In the meantime, we renew our request for the MNOI to be submitted to Sonia Romero, per her earlier correspondence.

Thank you, Rent Stabilization Appeal Team

Good Morning Mr. Collins,

Gaius Poehler can appeal the city's *determination* to allow an exception to the 3% rent increase cap under the code. The appeal can be made whether or not he has received a lease with a proposed increase, as the determination applies to a 12-month period of time. This appeal needs to be filed within 45 days of the determination being made, which it was.

I have had a chance to consult with my colleagues about an appeal of a propose rent increase for this unit. **All appeals we accept are of City determinations** on requests to increase rent above the 3% cap. We do not hear appeals on specific leases or proposed lease agreements.

(IE) Housing Hub could raise my month to month rent.

All people who are potentially affected by the City's determination have standing to file an appeal. Appeals must be received within 45 days of the City determination being made. Please let me know if additional clarification is needed on this matter.

RE: Lease Renewal and Rent Adjustment

Dear Tenant(s),

As you know your lease expires on 09/30/2017 and we'd would love to keep you as a tenant! It is never a pleasant task to adjust rents, however, rents must be changed at times to keep up with cost of rising insurance, property taxes, utilities, etc. and to fund future improvements. Per city ordinance, rent increases will be no more than 3% higher than current base rent.

The following adjustment in rent will be effective 05/01/2022 :

12-month lease: **\$ 795

Month-To-Month lease: **\$870

**The rent amounts above do not include any admin fees, pet, garage, parking, laundry, or storage charges that may also be owed. Please read the lease renewal and addendums for details.

In the event we **do not receive your completed Lease Renewal**, your current lease shall be extended under its original terms, except the duration shall change to **Month-To-Month** and your rent will **increase by \$200/Month**.

During a month-to-month tenancy, the Tenant(s) is(are) prohibited from giving a Notice to Vacate with move-out date between Nov 1st and March 31st. Landlord may change any term of a month-to month tenancy by giving notice to Tenant(s) in writing one month plus a day before the end of any given month.

If you have any questions regarding your Lease Renewal, notice incorrect information or for any reason you do not understand your Lease Renewal terms, please contact our lease renewal specialist at 651-488-2437 ext.101 or Renewals@HousingHubMN.com if you have any questions.

Thank you for your continued residency!

- d. Timeline: Allow the Landlord one to two (1-2) weeks to approve any roommate or pet changes.
- e. Once the process is completed, a new Lease Agreement must be signed by all Tenant(s) in the unit with a new lease start and end date GP (initial)
22. **Lease Termination:** Please contact the Housing Hub office for options, any associated fees, and other restrictions. Subletting is prohibited. Refer to Section 11 and Section 21.
23. **Lease Skip and Personal Property Abandonment:** If the Tenant(s) moves out of the premises before the Lease end date without giving proper sixty (60) days' notice to vacate, the Tenant(s) is responsible for all rent and any other costs and/or damages. Abandoned personal property of a Tenant(s) are belongings that are left inside or outside of a rented property after a Tenant(s) has moved out. Abandoned property will be disposed of by the Landlord however they choose after twenty-eight (28) days, or sooner with written permission from the Tenant(s). The Landlord will document and photograph all personal property left on the premises. The Tenant(s) is responsible for any and all on-site or off-site storage fees and disposal fees of their personal belongings pursuant to Minn. Stat. 504B.271 and 504B.365.
24. **Termination of Lease with Specified Ending Date (Notice to Vacate):** If Tenant(s) wishes to move out of the premises on the date this Lease ends, Tenant(s) must give Landlord the written 60-day Notice to Vacate using Housing Hub's **60-Day Notice to Vacate form ONLY**, two full calendar months prior to Lease expiration date, by the last day of the month, and will only be accepted with a month's end move-out date. If Tenant(s) fails to give proper notice, Landlord will provide an "Invalid 60-Day Move Out Notice", extend the Lease for one 60-day Notice Period and raise the rent if Tenant(s) stay past the initial Lease end date on page 1. If Tenant(s) and Landlord have not renewed this Lease or entered into a new Lease, this Lease shall be extended under its original terms except the duration shall be changed to month-to-month and the rent will increase by \$200.00/month. If Tenant(s) stays past 12:00AM (midnight) on the 2nd, they will be charged a full month's rent. For additional information, please refer to the **60-Day Notice to Vacate Addendum**. GP (initial)
25. **Termination of Month-to-Month Tenancy:** A sixty (60) Day Notice to Vacate is required using Housing Hub's "60-Day Notice to Vacate" form by the last day of the month, even if the Lease has expired and/or is converted to a month-to-month tenancy. If the Tenant(s) choose month-to-month tenancy, the Tenant(s) is(are) prohibited from giving a 60-Day Notice with move-out date between Nov 1st and March 31st. Landlord may change any term of a month-to-month tenancy by giving notice to Tenant(s) in writing one month plus a day before the end of any given month.
26. **Active Military Personnel Lease Termination Consideration:** The Service members Civil Relief Act (SCRA) helps protect active service members who are relocated due to deployment or permanent change of station (PCS). The protection begins on the date of entering duty and ends between 30-90 days after the date of discharge. If Tenant enlists, is drafted, or commissioned and on active duty in the Armed Forces of the United States and needs to break the lease, in accordance with the SCRA, a tenant must 1.) prove the lease was signed before entering active duty, 2.) prove they will remain on active duty for at least the next 90 days, and 3.) deliver a written **30-Day Notice to Vacate** the landlord accompanied by a copy of the orders to deploy / PCS or a letter from their commanding officer stating their pending deployment. Once the notice is delivered, received and confirmed, the 30-Day period will begin after the beginning on the following 1st.
27. **Eviction:** If the Tenant(s) violates any terms of this Lease, an eviction action may be brought immediately without prior notice to the Tenant(s). If the Tenant(s) violates a term of this Lease but the Landlord does not sue or evict the Tenant(s), the Landlord does not waive the right to evict, and the Landlord may still sue or evict the Tenant(s) for any violation of any term of this Lease. Under state law, a lawful seizure from any premises of any illegal object or substance, including drugs, constitutes unlawful possession of the premises by the Tenant(s) and is grounds for automatic eviction. For additional information, see attached **Crime-Free/Drug-free Housing Addendum**.

Attorney General Ellison wins relief for tenants whose landlord unlawfully withheld amounts from security deposits

Housing Hub to pay \$63,000, stop charging tenants for carpet cleaning, replacing batteries, lightbulbs, and filters at move out

AG's office will use the funds to refund tenants

March 13, 2023 (SAINT PAUL) – Minnesota Attorney General Keith Ellison announced today that his office has settled with a St. Paul-based property management company that illegally withheld amounts from tenants' security deposits. The settlement requires the company to provide refunds to its tenants and change its security deposit retention practices to comply with the law.

Under Minnesota law, landlords can withhold from security deposits only amounts reasonably necessary "to restore the premises to their condition at the commencement of the tenancy, ordinary wear and tear excepted." Instead, Housing Hub charged tenants (by withholding amounts from their security deposits) for items that needed to be replaced due to a tenant's ordinary use of the home. For instance, Housing Hub systematically charged tenants for professional carpet cleaning upon move-out even if the carpet's condition was not damaged beyond normal use. Additionally, Housing Hub charged tenants to replace smoke-detector batteries, lightbulbs, and furnace filters, which are all routine turn-over costs that Minnesota law prohibits landlords from shifting onto their departing tenants. Housing Hub also told tenants they were "required to leave the property in its original condition," and were required to take apart and clean their windows, stoves, vents, and light fixtures in order to obtain their security deposit back without deductions.

The Settlement, filed in Ramsey County District Court, requires Housing Hub to pay the State \$63,000, which the Attorney General's Office will use to provide restitution to the company's tenants who were illegally charged for carpet cleaning, and/or replacing batteries, lightbulbs, or filters. Among other things, the settlement also requires Housing Hub to remove from its lease provisions requiring tenants obtain or pay for professional carpet cleaning, and to stop charging tenants for batteries, lightbulbs, or filters. Housing Hub may only charge for damage to the home that rises beyond ordinary wear and tear. Additionally, if Housing Hub withholds amounts from tenants' security deposits for cleaning, the settlement also requires Housing Hub to provide tenants with evidence that the unit required professional cleaning to restore it to its original condition, ordinary wear and tear excepted.

"Having a safe, affordable roof over your head is essential to living with safety, dignity, and respect," Attorney General Ellison said. "Part of that is landlords following the law and returning tenants their security deposits. I am pleased that Housing Hub has agreed to refund its tenants and change its security deposit practices going forward."

Attorney General Ellison encourages *any* tenants—not just Housing Hub tenants—who have had amounts withheld from their security deposits for normal wear and tear to contact the Minnesota Attorney General's Office by filling out the dedicated Tenant Report Form on the Attorney General's website. Minnesotans can also report violations by calling Attorney General Ellison's office at (651) 296-3353 (Metro) or (800) 657-3787 (Greater Minnesota).

Good Day, Officer Moermond

May 23, 2023

This increase is a reaction to Housing Hub's recent settlement with the Minnesota Attorney General. They charged phony fees for years and now that they can't, their next step is to skip around the rent cap.

This increase is covering Housing Hub's loss of revenue from the fees.

To sum it up, though they, Housing Hub, Joe Collins/Tom Gallagher etc... state they want an increase in tenant money for the increased building taxes, A. they, as the attachments I've included overwhelmingly show, don't maintain their properties/don't provide enough to the tenants to justify it and B. they just entered into a settlement with the Attorney General to cease charging a lot of unlawful fees that were charged for years, and now that they were called on it, they're trying to skip the 3% cap.

They acted dishonestly for years, and now that they can't make as much money as they want through dishonest methods, they want to go above and beyond the 3% cap. These are bad corporate citizens.

They are a sophisticated business. They know how much revenue those bogus fees created. Maybe they would share with us how much they will be losing now that they agreed to follow the law. How does that match up with the increase? They are a sophisticated and large organization; their position "We don't know how much those fees brought in" is not credible and is a little patronizing.

Re: Recommendation to the City Council on the Rent Control Appeal of Gaius Poehler, for
Property at 476 Herschel Street, Unit 10

Dear Gaius Poehler:

This is to confirm that on May 22, 2023 at the Rent Stabilization Hearing on your appeal, Marcia Moermond, the Legislative Hearing Officer recommended that the City Council deny your appeal.

Property qualifies for 3% - 8% rent cap increase exception per staff analysis: Staff analyzed the MNOI worksheet provided by Housing Hub on behalf of its client, Herschel Apartment LLC, which is listed on the intake form as the owner of the property. It was consistent with the self-certification application submitted, wherein the applicant listed 2 primary reasons for the proposed increase: an increase in property taxes and an unavoidable increase in operating expenses. Staff analysis confirmed that the property qualified for a 23.72% rent increase, when using a comparison of 2019 and 2022 information in the MNOI. However, Housing Hub only applied for up to an 8% rent increase on behalf of Herschel Apartment LLC.

This matter will go before the City Council at a Public Hearing on **Wednesday, June 21, 2023 at 3:30 pm. in Room 300 City Hall**. If you are contesting Ms. Moermond's recommendation from the May 22 hearing, you may do one of the following options:

- appear in person (please arrive before 3:30 p.m. and check in with staff outside Council chambers); or
- send written testimony to be added to the record to rentappeals@ci.stpaul.mn.us or by voicemail at 651-266-6805; or
- should you wish to address Council directly but not appear in person, you must register in person by **noon on Tuesday, June 20, 2023** here to testify via phone:

Landlord Worksheet
Rent Increase using Fair Return Standard:
Maintenance of Net Operating Income (MNOI)

Amortized Costs of Capital Improvements included in Operating Expenses

Introductory Information

A landlord is entitled to a Fair Return on rental property. Pursuant to the Rent Stabilization Ordinance, the City has adopted fair return regulations (posted on the website).

1. Presumption of Base Year Net Operating Income

It shall be presumed that the net operating income received by the landlord in the Base Year provided a Fair Return. This presumption may be rebutted, in which case an adjusted Base Year Net Operating Income shall be used.

2. Fair Return

A landlord has the right to obtain a net operating income equal to the Base Year (2019) net operating income adjusted by 100% of the percentage increase in the Consumer Price Index (CPI), since the Base Year. It shall be presumed this standard provides a Fair Return.

3. Base Year

(a) Calendar year 2019 is the Base Year.

(b) In the event that a prior determination of the allowable Rent is made pursuant to a Fair Return petition, if a subsequent petition is filed, the Base Year shall be the year that was considered as the "current year" in the prior petition.

(c) Unless otherwise exempted from the limitation on rent increases by local, state or federal laws or regulations, if a Rental Unit enters the marketplace for the first time after 2019, the Base Year shall be the year the Unit entered the marketplace.

4. Current Year

The "current year" shall be the calendar year preceding the petition.

5. CPI (Consumer Price Index)

The annual CPI for the current year for All Urban Consumers for the Minneapolis-St. Paul-Bloomington area (All Items) provided by the U.S. Bureau of Labor Statistics [[Bureau of Labor Statistics Data \(bls.gov\)](https://www.bls.gov)].

6. Limits of Allowable Rent Increases in Any One Year

If the amount of any rent increase granted pursuant to a fair return petition exceeds 15%, the portion in excess of 15% shall be deferred to the next year or years.

In a subsequent year, deferred amounts of the allowable rent increase may be implemented, subject to the 15% ceiling on allowable increases within a year.

Re: Rent Control Appeal of Gaius Poehler, for property at 476 Herschel St, Unit 10

Dear Gaius Poehler, and Megan Peterson:

The Legislative Hearing Office received an appeal from Mr. Gaius Poehler of the proposed rent increase for Unit 10 on April 03, 2023. Mr. Gaius Poehler is appealing the City's Determination to allow for an exception to the 3% rent increase cap in rent control ordinance. The City's March 21, 2023 Determination allowed Housing Hub to increase rent in the amount they requested, which was a range between 3% and 8%. As our office understands Mr. Gaius Poehler appeal, he is arguing that an exception to the City's rent control policy should not have been made, as he states there are unresolved building problems and poor management style.

Please note, the increase in rent was stayed during the appeal process.

The City's Rent Stabilization Ordinance (SPLC 193A) allows 45 days for an appeal of a City Determination on an application for an exception to the 3% rent increase cap. Appeals of the March 21, 2023, City determination will be accepted through May 4, 2023.

A Legislative Hearing is scheduled for May 22, 2023 at 1p.m. in Room 330 of Saint Paul City Hall, 15 West Kellogg Blvd., Saint Paul, MN 55102.

This timing is intended to allow for consideration of the City's Determination at the same Legislative Hearing, should other appeals be received.

The Legislative Hearing Officer will review the appeal(s) and develop a recommendation for City Council consideration. The City Council Public Hearing for this appeal will be scheduled at the time a recommendation is made.
